Anti-Anti-Angel

Drawing and History by CHARA

Uriel what are you doing here?

A comic panel showing two characters standing on a red carpet. The character on the left is wearing a dark suit and the character on the right is wearing a light-colored suit. They are both looking at each other. The background is a dark, possibly indoor setting with some architectural details.

I came to congratulate you for your release

this time, the sentence was ten years.

*While Michael is in the Fortangel Medical

A comic panel showing a character in a white coat, possibly a doctor or nurse, standing in a room with a large window. The character is looking down. The room has a blue wall and a white ceiling. The character is wearing a white coat and a white cap.

Michael? already assigned you in a mission.

Hah... No need to do that Uriel. I was thinking in going down later

It's not that you "think"! You "must" go there since you are a guardian angel.

Ugh...

Guardian Angels

There are many legends
and myths about us. :

Well ... the most outstanding
myth is in a book that says
that two of us appeared in a
house.

I don't think
that's a lie...

Since it is true
that we are
always close to
humans.

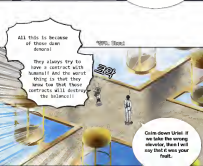

But our goal isn't to
maintain the balance in
the earth?

Humans are just part
of that balance.

I don't know why they
started thinking in that
the guardian angels
exist thanks to humans

All this is because
of these damn
demons!

They always try to
have a contract with
humans! And the worst
thing is that they
know too that those
contracts will destroy
the balance!!!

Uriel, I think

Calm-down Uriel. If
we take the wrong
elevator, then I will
say that it was your
fault.

Chapter 2-Section 1 of the
basic and fundamental laws
of the angels!

"It's forbidden that angels
get involved in the daily
life of the humans!"

Ugh!

Memorise that in
your head!!

You have disobeyed that
Law 7 450,722 times and
provoked 808 times.

This is your
last chance.

If you save or help a
human for any reason,

Or commit any act
that violates that
law,

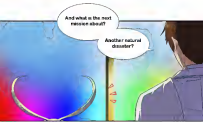

“0000: 0000 0000-”

No, this time the mission is one vs. one.

One vs. one with a human? We are short of staff and still we can do that?

It's a special case.

Being honest with you... It is a case of the blacklist...

Sophia Carterall.

Why "the angel that was
run over" is not in-
telligible?

Heavy

Hi~ sorry if I
scared you

~~~~~

~~~~~

?

... They were
too kind to
invite...

... Right?

... Right?

Well, your family
didn't come too
today, so we are in
the same situa-
tion.

Henry's presentation tells I
think he is the only
downside of him.

Ahm... And
thanks for the
bouquet

Where did
you get it?

It's just, I've received a lot of
those bouquets lately, I'm
representing the whole
grade

And I gave you one
because your hands
were empty

Ahm Henry is the
representative of
5th grade

And you liked it. I was
happy to hear it.

Sophia, you have
done a good job
this semester.

Have a good time
with your family in
the Christmas and
we'll see each other
when the semester
end over.

See you!

Henry

You're always kind
to everyone. Therefor-
e, you receive the
love and friendship
from the people
around you.

Isn't Henry the
real angel...?

And the
others are
demons...?

Are jealous...

I better return
home.

For everyone!! I don't know if you noticed this but last cap

reasons and left and that things.. you know... So that's why
the second cap in english was delayed... Sorry guys >_<
So my request now is that I need a new translator who can help
me in this project!! A Spanish/English translator. Your help
and contribution will be great for me, for other readers and
for the future readers!!

Well that's all and if you got any questions with the transla-
ting thing or anything else, comment it in the commentaries in
betote or you can send me a private message in fb. My ID in fb
is Bun Kun so i'll waiting ya~~ And once again, thank you for
the support and the love that you give to this project and to
this great fansub!! Have a good day guys!!!
